This is a sourcebook for over 1000 processing and packaging machinery suppliers and manufacturers worldwide.

The Institute of Packaging Directory 2003 (The Institute of Packaging, 2003) [(B) AA 746 BUS]

This is a directory of company contacts of packaging manufacturers in the UK. Also contains research reports on the market, new technology information, new design information and case studies.

The Packaging Machinery Directory 2003 (Packaging Machinery Manufacturers Institute, 2003) [(B) AA 746 BUS]

This is a guide to the global packaging industry, including technology and equipment available from the industry.

Market Research & Statistics

Business Ratio Report: Paper & Board Packaging Manufacturers 2007 (Key Note, 2007)

[(MKT) 338.436763]

Report provides information on the industry background, performance, company profiles and performance league tables.

Food Packaging in The United Kingdom 2007 (Euromonitor, 2007) [[available onsite via electronic sources]

This report gives a market overview, corporate ranking, product sector ranking and industry concentration overview.

Non – Food Packaging: United Kingdom 2007 (Euromonitor, 2007) [[available onsite via electronic sources]

This report gives a market overview, corporate ranking, product sector ranking and industry concentration overview.

Packaging Industry Country Report - United Kingdom 2007 (Euromonitor, 2007) [[available onsite via electronic sources]

This report gives a market overview, corporate ranking, product sector ranking and industry concentration overview.

Can Makers UK Market Report 2007 (Can Makers Information Service, 2007)

[(MKT) 338.47663] and @ <http://www.canmakers.co.uk/downloads/June07.pdf>

The report gives detailed market statistics for the UK Can market, also details information of the European market.

Business Ratio Report: Paper Merchants 2007 (Key Note, 2007)

[(MKT) 338.436762]

Report provides information on the industry background, performance, company profiles and performance league tables.

Financial Survey Report: The Paper & Board Industry 2007 (Key Note, 2007)

[(MKT) 338.436762]

The report gives financial and market information on limited British companies in the industry.

Stationery (Personal & Office) Market Report 2007 (Key Note, 2007) [(MKT) 338.476762823]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brand strategy, global markets, buying behaviour, forecasts and company profiles

Business Ratio Report: Plastics Packaging Manufacturers 2006 (Key Note, 2006)

[(MKT) 338.4366849]

Report provides information on the industry background, performance, company profiles and performance league tables.

Financial Survey Report: The Plastic, Metal & Glass Packaging Industry 2006

(Key Note, 2006) [(MKT) 338.436888]

The report gives financial and market information on incorporated British companies in the industry

Beverage Packaging in The United Kingdom 2006 (Euromonitor, 2006) [[available onsite via electronic sources]

This report gives a market overview, corporate ranking, product sector ranking and industry concentration overview

The World Market for Consumer Packaging 2005 (Euromonitor, 2005) [[available onsite via electronic sources]

This report gives a market overview, corporate global ranking, product sector ranking and industry concentration overview.

Packaging Machinery in The United Kingdom 2005 (Euromonitor, 2005) [[available onsite via electronic sources]

This report looks at the market size, market sectors, research & Development, corporate overview, company profiles and forecasts.

Paper and Cardboard Packaging in The United Kingdom 2005 (Euromonitor, 2005) [[available onsite via electronic sources]

This report looks at the market size, market sectors, research & Development, corporate overview, company profiles and forecasts.

Disposable Paper Products – Market Report 2005 (Key Note, 2005)

[(MKT) 338.476762840941]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brands strategy, global markets, buying behaviour, forecasts and company profiles

Global Advances in Food Packaging (Technical Insights) (Frost & Sullivan, 2005) [available onsite via electronic sources]

The study starts off with an overview of food packaging technology and briefly outlines the recent developments that are considered 'disruptive' in the analyst's view. The study overview is followed by a detailed assessment of food packaging technology and its applications.

Financial Survey Report: The Paper, Board & Timber Packaging Industry 2006

(Key Note, 2006) [(MKT) 338.436763094105]

The report gives financial and market information on limited British companies in the industry.

The Future of Packaging in China: Strategic Five Year Forecast 2004 (Pira International, 2004) [(B) TU 80 BUS]

This report looks at the hot topics, markets & forecasts, mergers & acquisitions, new products & developments, price trends, regulatory compliance & legal issues and companies profiles.

The Future of Intelligent Packaging: Strategic Five-Year Forecasts and Company Intelligence Profiles (Pira International, 2004) [(B) TV 20 BUS]

This report looks at medium-term technology, markets, forecasts, supply chain case studies and company profiles.

The Future of Anti-Counterfeiting, Brand Protection and Security Packaging: Strategic Five-Year Forecasts and Company Intelligence Profiles 2004 (Pira International, 2004)

[(B) AU 71 BUS]

This report looks at medium-term technology, markets, forecasts, supply chain case studies and company profiles.

The Future of Dangerous Goods Packaging: Strategic Five-Year Forecasts

(Pira International, 2004) [(B) TV 72 BUS]

This report looks at medium-term technology, markets, forecasts, supply chain case studies and company profiles.

Packaging (Food and Drink) Market Review (Key Note, 2003) [(B) HQ 38 BUS]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brand strategy, global markets, buying behaviour, forecasts and company profiles.

Food & Drink: Food & Drink Packaging 2003 (Mintel, 2003) [(B) HP 172 BUS]

This report reviews the market value of food & drink packaging, discusses industry and consumer attitudes and future trends of food and drink packaging.

European Packaging: Strategic Five-Year Forecasts 2003 (Pira International, 2003)

[(B) TU 80 BUS]

This report offers country and company market profiles and analysis.

Active Packaging 2003 (Pira International, 2003) [(B) HQ 38 BUS]

This report looks at oxygen scavengers & emitters, moisture scavengers, modified & controlled atmosphere packaging, carbon dioxide scavengers & emitters, ethylene scavengers & emitters, ethanol emitters, antibacterial films, microwave packaging, flavour/odour absorbers & flavour releasing films, lactose & cholesterol removers, temperature control packaging, legislative & regulatory issues and business directory.

The Future of PET Packaging: strategic five-year forecasts and company intelligence profiles 2003

(Pira International, 2003) [(B) TV 52 BUS]

This report looks at the key drivers & trends, cutting edge technology developments, European market overview, national markets for PET packaging, end use market developments, global PET markets, supply chain issues, industry structure developments and company profiles.

Introduction to Flexible Packaging 2003 (Pira International, 2003) [(B) TV 61 Bus]

This report looks at flexible materials, films, innovations in flexible materials, flexible based retail units, printing of flexible packaging, machinery, legislative issues and end-use markets.

Packaging (Glass) 2003 (Key Note, 2003) [(B) TU 80 BUS]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brand strategy, global markets, buying behaviour, forecasts and company profiles

Packaging (Metals and Aerosols) 2003 (Key Note, 2003) [(B) TU 80 BUS]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brand strategy, global markets, buying behaviour, forecasts and company profiles.

Packaging (Plastics) 2003 (Key Note, 2003) [(B) TV 52 BUS]

Reports covers market size, trends, segmentation, competitor analysis, swot analysis, industry background, brand strategy, global markets, buying behaviour, forecasts and company profiles

UK Paper & Board Packaging 2003 (Snapshots International, 2003) [available onsite via electronic sources]

Report covers the market size, segmentation, market shares, forecast, socio-economic data and further sources of information.

UK Plastic Packaging 2003 (Snapshots International, 2003) [available onsite via electronic sources]

Report covers the market size, segmentation, market shares, forecast, socio-economic data and further sources of information.

Trade Magazines & Newsletters

Flexible: the Journal of Plastics Packaging Technology (Pira International, Bi-Annual)

(P) TV 61 -E(1)

This is a technical journal from Pira International which provides technical analysis and forecasts of flexible packaging technology for users, converters, raw material producers and print equipment manufacturers.

Food Packaging Bulletin (Research International Ltd, Monthly) [(P) TV 72 - E (4)]

This is a newsletter for the industry. It offers information on regulations, legislation, recycling and covers glass, plastic & metal packaging information.
