HOSPITALITY & EVENT PLANNING INDUSTRY GUIDE

Updated January 2019

This is a guide to some of the resources available within the British Library Business & IP Centre relevant to the hospitality and event planning industry.

Inside you will find sources of information such as market research (statistics, trends and developments), key companies, trade magazines, newsletters, and Internet sources.

This guide will be useful to anyone starting a business within the hospitality and event planning industry and also for those wanting to further their knowledge within this area.
Start-Up Information

The Cobra database contains practical fact-sheets on all aspects of starting, running and managing a small business – including information on writing business plans, marketing, company structures etc.

It also covers the practical aspects of how to start and run particular types of businesses – outlining necessary skills, regulations, licences and legislation etc. and highlights other sources of information and advice available.
