Small Business Help Books

This is a collection of books with practical information aimed at those starting and running a business. Located in the Centre, unless otherwise stated.

**Cook, wrap, and sell: a guide to starting and running a successful food business from your kitchen** by Bruce McMichael (Petersfield: Brightword, c2012) [SBH BT 16 Small Business Help]
The book provides real-life stories of people making money from cooking, baking and blogging. It also offers information on funding, tax, insurance, branding and packaging.

**How to make money from cooking and baking** (Rita Storey, London: Franklin Watts, 2017) [SBH. BT.52]
The book is aimed at anyone with a love of cooking and baking, or those who wish to develop a business idea in this industry.

**How to open a financially successful bakery** (Zachary Humphrey, Ocala, Florida: Atlantic Publishing Group Inc., 2015) [SBH. BT.56]
This book provides practical information on the bakery business such as; legal concerns, food safety, how to buy or sell a bakery, kitchen management, cost control, product planning and pricing, creating a successful business plan and much more.

**How to open & operate a financially successful specialty retail & gourmet foods shop** by Sharon Fullen (Ocala, Florida: Atlantic Publishing Group, 2017) [SBH. BT.54]
Covers detailed information to help you start, operate and manage a profitable speciality store.

**Opening and operating a retail bakery** by Rick Douglas (Crawford, Hoboken, New Jersey: Wiley, 2014) [SBH. BT.85]
Covers tools, advice and best practices based on the author’s experience for opening and operating a successful bakeshop.

**Popup republic: how to start your own successful pop-up space, shop, or restaurant** by Jeremy Baras (Hoboken, New Jersey: Wiley, 2016) [SBH. BT.88]
Comprehensive guide to the pop-up industry also covers success stories, examples, anecdotes and case studies.
Running a food truck for dummies by Richard Myrick (For Dummies, 2016) [(Digital Content) Non-Print Legal Deposit Access.] Via Explore the British Library Catalogue.
The book provides information to help you create a successful business plan. Explains how PR and social media can be used to build up a following, outlines how to stay in profit and expand. Helpfully the book also uses several icons such as warnings icons which clarifies how to protect against potential pitfalls, whilst other icons are used to provide indications of methods or ideas which will give you an advantage on the road to food truck success.

Start and run a delicatessen (Deborah Penrith, Oxford: How To Books, 2009) [SBH. BT.102]
Provides all the information required to start and run a delicatessen.

The future of food business: the facts, the impacts, the acts (Marcos Fava Neves 2014) [SBH. BT.142]
The book provides details of world food crises and discusses up to date food trends and more. Useful for anyone who is involved with food chain networks.

Market Research & Statistics
If you are planning on starting a business you will need to be aware of the latest trends, developments and opportunities within your industry which can all be found from market research.

Market research also covers market size and forecasts, consumer demographics and attitudes, the key players and products and will often include SWOT and PEST analysis showing areas of strength, weakness, opportunities etc.
