Small Business Help Books

This is a collection of books with practical information aimed at those starting and running a business, located in the Business & IP Centre.

**How to Buy and Manage Your Own Hotel** by Miles Quest and Peter Nannestad (Goodfellow Publishers 2015) [SBH BT.47]
Step by step guide from the time of initial interest in buying a hotel to the day of take over. Practical advice from industry experts covering the purchasing process, location, hotel types, staff, franchising, raising finance, accounts, marketing and how to take advantage of social media.

**How to be a Travel Writer** by Don George with Janine Eberle [SBH BT.43]
A practical guide on how to write about travel: whether to make a living or simply for the pure pleasure of jotting in a journal for posterity!

**How to open a financially successful Bed & Breakfast for Small Hotel** by Sharon L. Fullen, Douglas Brown and Douglas Robert Brown [SBH BT.55]
This book looks at the business side of owning a B&B covering basic cost control systems, profitable menu planning, reservation systems, successful kitchen management, housekeeping, beverage management, room rate formulas, arrival, billing departure and training employees and more. There is also a sample business plan that may be adapted for personal use!

**Starting a Business from Home** by Colin Barrow [SBH BT.160]
A guide to planning a home start-up, reaching a market and creating a profit.

**Starting and Running a Holiday Cottage Business** by Gillean Sangster [SBH BT.118]
Gillean Sangster moved to Scotland with her husband where they started their own successful holiday cottage business. This book tells you how they did it and helps you identify a market, choose a property then prepare and present it for maximum effect. Learn how to manage the finances, deal with planning permissions, effectively market the business; run the business day to day; and provide a good service so that your clients come back again and again.
**Starting your career as an illustrator** by Michael Fleishman [SBH BT.120]
A technical how-to book, with information on business, some inspiration, with a professional overview; topics include how to: create a portfolio, make initial contact, develop a financial plan, set up an office, acquire supplies and equipment, price your own work, market on the web, nurture a growing freelance business...

**Tourism Marketing for Cities and Towns** by Bonita Kolb [SBH BT.148]
This book will help anyone working in the tourism industry to understand how places, particularly cities and towns are marketed to and consumed by tourists. This book focuses on clearly explaining how to develop the branded destination with special emphasis on product analysis and the use of social media to create personalized experiences desired by visitors. There is also real-world application and a theoretical background to the field as a whole.

---

**Market Research & Statistics**

If you are planning on starting a business you will need to be aware of the latest trends, developments and opportunities within your industry which can all be found from market research.

Market research also covers market size and forecasts, consumer demographics and attitudes, the key players and products and will often include SWOT and PEST analysis showing areas of strength, weakness, opportunities etc.
