

**Artists' Lives C466:  
interviews complete and in-progress  
(at January 2017)**

**Please note:** access to each recording is determined by a signed Recording Agreement, agreed by the artist and National Life Stories at the British Library. Some of the recordings are closed – either in full or in part – for a number of years at the request of the artist. For full information on the access to each recording, and to review a detailed summary of a recording's content, see each individual catalogue entry on the Sound and Moving Image catalogue: <http://sami.bl.uk> .
