Editors' Notes

1. PLR is funded by the Department for Digital, Culture, Media and Sport (DCMS) and is run by the British Library from its site at Boston Spa, West Yorkshire. This year PLR distributed £6 million to 21,697 authors at a Rate Per Loan of 9.03 pence. Since its inception in 1979, PLR has distributed over £178million to authors. PLR funding is currently set at £6.6m up to 2020.
2. Authors are eligible for payment if their PLR earnings reach a minimum of £1. There is a maximum payment threshold of £6,600 for the top-lending authors. This year, 200 authors received the maximum payment.
3. The Digital Economy Bill 2017 extended UK Public Lending Right legislation to include remote loans of ebooks from public libraries in England, Scotland and Wales. The collection of remote ebook loans data came into effect on 1 July 2018. The first payments arising from the newly eligible loans were made in February 2020.
4. British authors qualify for payment from a number of other European PLR systems. These include the Irish PLR system which is administered through the UK PLR office on behalf of the Irish government. Payments to UK authors from PLR systems in countries such as France, Germany, Austria and the Netherlands are distributed by the Authors' Licensing & Collecting Society (ALCS).
5. PLR cannot be held responsible for errors or omissions in bibliographic or loans information supplied by libraries or other agencies or for incorrect information supplied by applicants.
